Role-by-Role Visual Gallery

1. Resident / Homeowner PWA (Mobile Viewport)

- **01_login_screen.jpg**: Unified branded sign-in with biometric WebAuthn prompt.
- **02_resident_dashboard.jpg**: Property switcher pill (Court A – A223 ▼), outstanding balance card (₦245,000), active guest passes carousel, quick action grid, bottom navigation bar.
- **03_access_codes_list.jpg**: Active (3) vs History tabs, pass cards with WhatsApp Share, QR code pop-up, and Deactivate buttons.

- **04_new_pass_bottom_sheet.jpg**: Ergonomic bottom sheet with 1-tap presets (*Visitor, Cab, Artisan, Delivery*), duration chips, and property picker.
- **05_bills_payments.jpg**: Financial summary banner (Outstanding vs Paid) and color-coded status badges (**PENDING** , **OVERDUE** , **PAID**).
- **17_payment_checkout_sheet.png**: Slide-up payment sheet supporting Card, Apple Pay, and dedicated Virtual Bank Accounts with 256-bit encryption badge.
- **08_complaints_screen.jpg**: Service ticket cards with color-coded status borders (**Open** , **Assigned** , **In Treatment** , **Resolved**) and reply count badges.
- **14_complaint_chat.png**: Two-way WhatsApp-style live chat between resident and assigned plumber with photo evidence attachment.
- **09_facility_booking.jpg**: Amenity cards gallery (Pool, Tennis, Gym), interactive date strip, and time slot conflict-prevention grid.
- **15_estate_noticeboard.png**: Official estate broadcast feed with category pills (*Security Alert, Maintenance, General*).
- **16_community_feed.png**: Intra-estate neighborhood board with resident posts, likes, comment threads, and lost-and-found photos.
- **10_sos_emergency.jpg**: Massive 3-second hold red SOS siren button with direct-dial hotlines for Gate Security, Police, and Fire Service.
- **11_notification_center.jpg**: Push notification stream with visitor photo thumbnails, payment receipts, and estate maintenance notices.
- **12_resident_profile.jpg**: Multi-property management card listing units across different estates with Owner/Tenant badges and dependant count drawer.

2. Security Guard Gate Station (High-Contrast Outdoor Theme)

- **06_guard_gate_station.jpg**: Oversized 6-digit numeric keypad + camera QR code scanner designed for rapid gloved single-handed operation in bright sunlight.
- **07_guard_verification_result.jpg**: Instant code validation card (**CODE VALID**), mandatory visitor photo capture viewfinder, mandatory vehicle photo viewfinder, and binary **APPROVE ENTRY** / **REJECT** buttons.

3. Estate Admin & FM Operations (Responsive Desktop/Tablet)

- **13_admin_dashboard.jpg**: KPI metric widgets (Residents, Properties, Outstanding Dues, Collections, Tickets, Gate Entries), revenue bar chart, and complaint categories donut chart.
- **18_admin_residents_directory.png**: Full resident roster with multi-court filters, phone dialer shortcuts, occupancy badges, and dependant drawers.
- **19_admin_billing_wizard.png**: 3-step bulk invoice generation wizard pushing quarterly service charges to all 285 estate units simultaneously with live revenue projection (**₹24.2M**).
- **20_admin_complaints_kanban.png**: Touch-friendly 4-column Kanban board (**Open** , **Assigned** , **In Treatment** , **Resolved**) with one-click trade technician dispatch.
- **21_admin_broadcast_composer.png**: Segmented announcement composer targeting all residents, specific courts, or delinquent accounts via Push, Noticeboard, and SMS.
- **22_admin_gate_feed.png**: Real-time live surveillance feed of gate approvals, visitor photo thumbnails, vehicle license plates, and guard identities.

4. Super Admin & Governance

- **23_super_admin_estates.png**: Portfolio manager showing Mansfield Estate, Fairfield Apartments, and Lekki Pearl with custom gate image policies and assigned admins.
 - **24_super_admin_access_restrictions.png**: Surgical debt enforcement console enforcing **Rules 11, 12, & 13** — selectively pauses guest code generation for arrears while preserving resident billing and payment access.
-

5. Auditor Compliance Portal (Rule 6)

- **25_auditor_compliance_portal.png**: Read-only compliance portal with financial reconciliation, gate verification archives, and immutable administrative audit logs (Rule 14).
-

6. Public & System / PWA Fallbacks

- **26_forgot_password_otp.png**: Mobile 4-digit SMS OTP verification screen with auto-resend countdown timer.
- **27_pwa_install_prompt.png**: Native-like "Add to Home Screen" bottom sheet explaining instant gate access, offline pass storage, and push alerts.
- **28_offline_fallback.png**: Offline standby mode serving cryptographically cached gate passes (483 912) and emergency gate phone numbers when cellular connectivity drops.
